Longmont United Hospital honors 141 employees

Longmont United Hospital will honor 141 employees who will be reaching 5, 10, 15, 20, 25, 30, 35, and 40 year service milestones. Each year the hospital celebrates these service milestones, but this year is the largest number of honorees ever and there are 6 employees who will celebrate 25 year milestones, 3 employees celebrating 30 years, 2 employees celebrating 35 years and Lucy Haag currently a Nursing Shift Manager who will be celebrating 40 years with the hospital.

In times where long tenure with the same organization is becoming rare, Longmont United Hospital employees compliment their loyalty with dedication and outstanding care for their patients.
