**Longmont United Hospital Opens  
State-of-the-Art Clinic for Health Center of Integrated Therapies**

**Longmont, CO - January 8, 2008** Longmont United Hospital's Complementary and Alternative Medicine Department, Health Center of Integrated Therapies (HCIT), opened an outpatient clinic at 1551 Professional Lane, Suite 125 in Longmont, at the intersection of Main Street and Pike Road. The community is invited to an Open House on Friday, January 18, 2008 from 3:00 – 6:00 p.m. to meet the staff including 2004 Planetree Spirit of Caring Award Winner, Michelle Bowman, author of Complementary and Alternative Medicine Management, and to experience interactive demonstrations of HCIT services including complimentary ten-minute chair massage and auricular acupuncture. A raffle for gift certificates for a variety of HCIT services will be available. Refreshments will be provided.

**About Health Center of Integrated Therapies**

Longmont United Hospital has offered Complementary and Alternative Medicine to the community through the Health Center of Integrated Therapies since 1994. The Health Center of Integrated Therapies has grown into a highly respected, nationally recognized and award winning health care model. HCIT combines treatments from around the world with the most innovative practices offered by Western medicine.
