## Support the Hospital Before Dec. 31

This is the time of the year that most people give and receive. We know that your decision to support Longmont United Hospital comes from the heart. An added bonus is that your gift may also qualify for a tax break this year when you itemize deductions on your federal income tax return.

Take a look below and mark your calendar so you can ensure the timing of your gift.

### 2016 Gift Deadlines

Accomplish the following to ensure that your gift is eligible for a charitable deduction this year.

#### Cash

Complete the entire transfer of securities to us electronically so we receive them by Dec. 31.

#### Real Estate

Deliver the executed deed by Dec. 31, in most states.
